

BVSAC Lending Library

librarian@bvsac.org

Opening Page Statement

Welcome to the Bear Valley Springs Astronomy Club Lending Library page. Books, videos, and equipment listed are available for loan to paid members in good standing. Requests for Lending Library items can be made by contacting Librarian@BVSAC.org

Items requested may be picked up at the next regular BVSAC club meeting, held on the first Wednesday of each month at 6:30 PM in the Oak Tree Country Club Banquet Room. The loan period is for one month and items are to be returned to the following month's regular BVSAC meeting. If there are no outstanding requests for the item(s) pending, it is possible to extend the loan period by one additional month. Contact Librarian@BVSAC.org for a possible extension.

Lending Library items are the property of individual BVSCA members. Many are high value items that would be costly and/or difficult to replace. Most of the equipment available for loan are fragile items. Please treat each item with care and respect. A fee may be assessed for items that are damaged or lost.

Process

Librarian receives request

Member's name and contact information is recorded

Book owner is notified and asked to bring book to next meeting

Member is notified of book availability and date of next general meeting

Book is picked up by requesting member

Book is returned at next regular meeting

If book is checked out, and another member requests the same book, member holding the book is reminded of need to return book to the next meeting

When book is returned, book owner notifies librarian

Librarian notifies requesting member

Process repeats
